

**Information Brochure: Admission to Super Specialty courses under the
Management Quota for the Academic year 2013-14**

Narayana Medical College, Nellore

Rules and Regulations for Super Specialty Programs

Introduction:

The provisions contained in this set of regulations govern the policies and procedures on the admission of students, imparting instructions of courses, conducting examinations and evaluation, and certification of student's performance leading to the Super Specialty Degree.

This set of regulations, shall be in addition to NTR University of Health Sciences stipulated regulations with all the amendments thereto, and shall be binding on all students undergoing the Super Specialty programs. In order to guarantee fairness and justice to all the parties concerned, any specific issues or matters of concern shall be addressed separately, by the appropriate authorities, as and when found necessary.

Objectives:

The objectives of the Super Specialty programs of Narayana Medical College will be in consonance with those of MCI and NTR University of Health Sciences. In addition, the institute's endeavor shall be

- To provide a deep understanding of the area of specialization,
- To foster innovative ability to solve practical problems,
- To develop capacity to learn continually and interact with multidisciplinary groups.
- To develop the student with a capacity for free and objective enquiry, courage and integrity, and awareness and sensitivity to the needs and aspirations of society.

Super Specialty Programs at Narayana Medical College:

DM

Cardiology, Neurology, Nephrology, Medical Gastroenterology and Endocrinology.

M.Ch.

Neuro Surgery, Urology, Surgical Gastroenterology and Plastic Surgery

1. The candidates seeking admission to Super Specialty courses are required to:-
