Sir,

I am to state that the General Body of this council at its meeting held on 18.11.2009 considered the Council Inspector's report (June, 2009) on the standard of examination and other teaching facilities available at Narayana Medical College, Nellore for purpose of approval of the college for the award of MS (Ophthalmology) qualification granted by Dr. NTR University of Health Sciences, Vijayawada. The Committee further decided that commensurate with the availability of PG teachers with recognized qualifications the Institute be directed to restrict the total number of students admitted in the course to 1(one) student per year from the academic session 2010-2011."

The Council further decided that the attention of the institute be drawn to Clauses 6.4 and 6.6 of the Postgraduate Medical Education (Amendment) Regulations, 2000, Part-II, dated 21st July, 2009 and act accordingly at appropriate time, which reads as under:-
