This is to inform that I, Prof. Matcha Bhaskar, Dept. of Zoology, Sri Venkateswara University, is happy to collaborate with **Dr. Pasupuleti Sreenivasa rao**, Research Scientist/ Professor, Dept of advanced research centre/Dept. of Biochemistry, Narayana Medical College. I am thankful to you for Co-guiding our four M.Sc., Animal Biotechnology students who have completed their Project work successfully in 2017. As you have good expertise in the field of animal toxicology in response to various natural products, which helped to publish the research article. I am very keen and interested in collaboration with you in the area of herbal products and their role regulation of hypertension and cancer.

Sincerely

**(M. BHASKAR)**
