Dear Dr. Sreenivasa Rao,

Research Collaboration under herbal products for therapeutic applications of various diseases.

I am highly appreciated for your invitation and hospitality during my previous visit to the Narayana Medical College, Nellore. As we are working in the similar research filed related to Herbal Products for Therapeutic Applications of various diseases, I have keen interested to collaborate with you for research activities. Especially, your department working on development of Herbal Products for Inflammation and Diabetes treatment. Our collaboration will yield high impact publications and also international research grants.

I hope a positive response from you.

Thanking you,

With best regards,

Dr. Mannur Ismail Shaik
