### Functions of the Curriculum Committee

The Curriculum Committee as constituted in accordance with the directives of the NMC will:

- Develop a strategy for creating and implementing the curriculum and providing oversight.
- Decide if the alignment will be topic or organ system based.
- Create a phase-wise Curriculum Subcommittee (PWCSC) to oversee the creation and delivery of aligned and integrated curriculum.
- Create and support topic teams which will develop objectives and learning sessions for each topic across the phases.
- Approve and release the annual timetable for each phase
- Liaise with the Medical Education Unit or department for required faculty support.
