

Har Ghar Tiranga 2025 Program... NARAYANA MEDICAL COLLEGE

On 14 August 2025, Narayana Medical College, Nellore, hosted the inaugural event for the Government of India's new initiative—a ceremony rich with enthusiasm, engagement, and academic spirit.

Event Highlights:

- To launch the day, flyers announcing the program were officially released, ensuring widespread awareness amongst students, interns, and faculty.
- A quiz competition was organized for MBBS students and interns, sparking intellectual enthusiasm. The top performers were celebrated with cash prizes and certificates, symbolizing recognition—both monetary and academic—for their achievements.
- The event saw the enthusiastic involvement of nearly 300 participants, including dedicated faculty members and medical students, demonstrating strong institutional support.
- A spirited rally was conducted across the campus, where participants carried banners and chanted slogans reflecting the theme and goals of the government's initiative.
- To foster camaraderie and appreciation, the gathering concluded on a warm note—snacks were distributed to all participants as the rally dispersed.

Significance of the Occasion:

This event not only marked the commencement of a Government of India-sponsored program but also showcased the vibrant academic culture of Narayana Medical College. By combining educational activities with spirited celebrations, the college reinforced its commitment to holistic student development and community engagement.
